1/30/02

DEAR U.S.F.S.

THE RECENT SFRA IS A VALUABLE, OBJECTIVE ASSESSMENT OF OUR PRESENT SOUTHERN FORESTS. LETS' WORK TOGETHER TO CONTINUE TO PRACTICE RESPONSIBLE, SUSTAINABLE FORESTRY. CONSERVATION MEANS WISE USE. TREES ARE AMERICA'S RENEWABLE RESOURCE.

SINCERELY,

Geoffrey Lee Hill, R.F.
718 Hazelwood Drive
Statesboro, Georgia 30458
