

**NATIONAL RECREATION SURVEY
STATISTICS**

TABLES

	<u>Page</u>
1.01. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during June-August 1960 for the United States and major regions by activity.....	120
1.02.01. Adjusted distribution of sample persons 12 years and over during June-August 1960: Population equals 29, 600 times adjusted sample persons.....	121
.02. Attending outdoor concerts, drama, etc.	122
.03. Attending outdoor sports events.....	123
.04. Bicycling.....	124
.05. Boating other than sailing or canoeing.....	125
.06. Camping.....	126
.07. Driving for pleasure.....	127
.08. Fishing.....	128
.09. Hiking (on trails with pack).....	129
.10. Horseback riding.....	130
.11. Hunting.....	131
.12. Nature walks (to observe birds, animals, plants, etc.).....	132
.13. Picnics.....	133
.14. Playing outdoor games or sports.....	134
.15. Sightseeing.....	135
.16. Swimming.....	136
.17. Walking for pleasure.....	137
.18. Water skiing.....	138
1.03.01. Adjusted distribution of sample persons 12 years and over during June-August 1960: Population equals 29, 600 times adjusted sample persons.....	139
.02. Attending outdoor concerts, drama, etc.	140
.03. Attending outdoor sports events.....	141
.04. Bicycling.....	142
.05. Boating other than sailing or canoeing.....	143
.06. Camping.....	144
.07. Driving for pleasure.....	145
.08. Fishing.....	146
.09. Hiking (on trails with pack).....	147
.10. Horseback riding.....	148
.11. Hunting.....	149
.12. Nature walks (to observe birds, animals, plants, etc.).....	150
.13. Picnics.....	151
.14. Playing outdoor games or sports.....	152
.15. Sightseeing.....	153
.16. Swimming.....	154
.17. Walking for pleasure.....	155
.18. Water skiing.....	156
1.04. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during June-August 1960, by age, physical impairments, sex and state of health (separate tables for selected activities).....	157-161
1.05. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during June-August 1960, by present and previous major region (separate tables for selected activities).....	162-164
1.06. Median age by sex and median family income by free and time-money restricted participation of persons 12 years and over and median years at schooling completed of persons 25 years and over; persons with general preference (first, second, or third choice) for selected activities, summer period 1960.....	165
1.07. Percent of persons 12 years and over with vacation away from home, one or more outdoor recreation trips or one or more outdoor recreation outings, June-August 1960, by major region, age and color, age and sex, and income.....	166
1.08. Percent of persons 12 years and over with vacation away from home, one or more outdoor recreation trips or one or more outdoor recreation outings, June-August 1960, by age, number of persons in household, color, family income, health by sex, and impairments by sex.....	167

	<u>Page</u>
1.09. Percent of persons with vacations away from home, one or more outdoor recreation trips or one or more outdoor recreation outings during June-August 1960, by age and education of person or education of head of household.....	168
1.10. Percent of June-August 1960 person-occasions with expenditures away from home, 50 cents or more, by type of occasion, type of expense, and selected socioeconomic characteristics.....	169
1.11. Percent of outdoor recreation trips and percent of outdoor recreation outings, by persons 12 years and over, by region, place of residence, and major purpose, during June-August 1960.....	170
1.12. Percent of persons indicating some preference (first, second, or third choice) for selected activities, summer period 1960, by degree of participation in selected activities during June-August 1960.....	171-173
1.13. Participation in preferred activities (first, second, or third choice) by persons 12 years and over by preferred activity and family income, summer period 1960.....	174
1.14A. Percent of persons 12 years and over with free and restricted participation in preferred activities (first, second, or third choice) by sex and type of restriction, summer period 1960.....	175
1.14B. Participation in preferred activities by persons 12 years and over with some preference (first, second, or third choice) for selected activities, summer period 1960, by activity and sex.....	176
1.15. Median age by sex and median family income by free and time-money restricted participation of persons 12 years and over and median years at schooling completed of persons 25 years and over; persons with general preference (first, second, or third choice) for selected activities, summer period 1960.....	177
1.16. Percent of persons 12 years and over desiring outdoor recreation activities not engaged in and reason for nonparticipation by activity, summer period 1960.....	178
1.17. General preferences: Percent of persons indicating some preference for selected activities, summer period 1960, by major region and place of residence, age and sex.....	179
1.18. General preferences: Percent of persons indicating some preference (first, second, or third choice) for selected activities, summer period 1960, by family income.....	180
1.19. General preferences: Percent of persons 25 years of age and over indicating some preference (first, second, or third choice) for selected activities by major region and education, June-August 1960.....	181
1.20. General preferences: Percent of persons indicating some preference (first, second, or third choice) for selected activities, summer period 1960, for the United States and major regions by occupation.....	182
1.21. Percent of persons indicating preference for selected activities by order of preference and time available, summer period 1960.....	183
1.22. Vacation preferences--percent of persons preferring selected activities on vacation, summer period 1960, by major region and place of residence, age and sex.....	184
1.23. Vacation preferences--percent of persons 25 years and over preferring selected activities on vacations, summer period 1960, by education and major region.....	185
1.24. Vacation preferences--percent of employed persons 14 years and over preferring selected activities on vacation, by region and occupation, June-August 1960.....	186
1.25. Weekend preferences--percent of persons preferring selected activities on weekend trips, summer period 1960, by major region and place of residence, age and sex....	187
1.26. Weekend preferences--percent of persons 25 years and over preferring selected activities on weekend trips, summer period 1960, by education and major region....	188
1.27. Weekend preferences--percent of employed persons 14 years and over preferring selected activities on weekend trips, by occupation and major region, June-August 1960.....	189
1.28. Day's outing preference--percent of persons preferring selected activities on day's outing, summer period 1960, by major region and place of residence, age and sex...	190
1.29. Day's outing preference--percent of persons 25 years and over preferring selected activities on day's outing, summer period 1960, by education and major region.....	191
1.30. Day's outing preference--percent of employed persons 14 years and over preferring selected activities on day's outing, by occupation and major region, June-August 1960.....	192

	<u>Page</u>
1. 31. Preference with 2-3 hours available--percent of persons preferring selected activities for 2-3 hours, summer period 1960, by major region and place of residence, age and sex.....	193
1. 32. Preference with 2-3 hours available--percent of persons 25 years and over preferring selected activities for 2-3 hours, summer period 1960, by education and major region.....	194
1. 33. Preference with 2-3 hours available--percent of employed persons, 14 years and over, preferring selected activities for 2-3 hours, by occupation and major region, June-August 1960.....	195
1. 34. Percent of persons 12 years and over with some leisure time available and with some outdoor recreation; hours of leisure and of outdoor recreation per person per day; and percent of leisure time available spent on outdoor recreation during weekdays, weekends and holidays, September 1960, by family income and age-sex.....	196
2. 01. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during September-November 1960 for the United States and major regions by activity.....	197
2. 02. 01. Adjusted distribution of sample persons 12 years and over during September-November 1960: Population equals 29, 600 times adjusted sample persons.....	198
.02. Attending outdoor concerts, drama, etc.	199
.03. Attending outdoor sports events.....	200
.04. Bicycling.....	201
.05. Boating other than sailing or canoeing.....	202
.06. Camping.....	203
.07. Driving for pleasure.....	204
.08. Fishing.....	205
.09. Hiking (on trails with pack).....	206
.10. Horseback riding.....	207
.11. Hunting.....	208
.12. Nature walks (to observe birds, animals, plants, etc.).....	209
.13. Picnics.....	210
.14. Playing outdoor games or sports.....	211
.15. Sightseeing.....	212
.16. Swimming.....	213
.17. Walking for pleasure.....	214
.18. Water skiing.....	215
2. 03. 01. Adjusted distribution of sample persons 12 years and over during September-November 1960: Population equals 29, 600 times adjusted sample persons.....	216
.02. Attending outdoor concerts, drama, etc.	217
.03. Attending outdoor sports events.....	218
.04. Bicycling.....	219
.05. Boating other than sailing or canoeing.....	220
.06. Camping.....	221
.07. Driving for pleasure.....	222
.08. Fishing.....	223
.09. Hiking (on trails with pack).....	224
.10. Horseback riding.....	225
.11. Hunting.....	226
.12. Nature walks (to observe birds, animals, plants, etc.).....	227
.13. Picnics.....	228
.14. Playing outdoor games or sports.....	229
.15. Sightseeing.....	230
.16. Swimming.....	231
.17. Walking for pleasure.....	232
.18. Water skiing.....	233
2. 04. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during September-November 1960 by age, physical impairments, sex and state of health (separate tables for selected activities).....	234-239
2. 05. Percent of persons 12 years and over participating, days of activity per person, and days of activity per participant during September-November 1960 by present and previous major region (separate tables for selected activities).....	240-242

	<u>Page</u>
2.12. Percent of persons indicating some preference (first, second, or third choice) for selected activities, fall period 1960, by degree of participation in selected activities during September-November 1960.....	243-245
2.16. Percent of persons 12 years and over desiring outdoor recreation activities not engaged in and reason for nonparticipation by activity, fall period 1960.....	246
2.34. Percent of persons 12 years and over with some leisure time available and with some outdoor recreation; hours of leisure and of outdoor recreation per person per day; and percent of leisure time available spent on outdoor recreation during weekdays, weekends and holidays, December 1960, by family income and age-sex.....	247
3.01. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during December-February 1960-61 for the United States and major regions.....	248
3.02.01. Adjusted distribution of sample persons 12 years and over during December-February 1960-61: Population equals 29,600 times adjusted sample persons.....	249
.02. Attending outdoor concerts, drama, etc.	250
.03. Attending outdoor sports events.....	251
.04. Bicycling.....	252
.05. Boating other than sailing or canoeing.....	253
.06. Camping.....	254
.07. Driving for pleasure.....	255
.08. Fishing.....	256
.09. Hiking (on trails with pack).....	257
.10. Horseback riding.....	258
.11. Hunting.....	259
.12. Nature walks (to observe birds, animals, plants, etc.).....	260
.13. Picnics.....	261
.14. Playing outdoor games or sports.....	262
.15. Sightseeing.....	263
.16. Swimming.....	264
.17. Walking for pleasure.....	265
.18. Water skiing.....	266
.19. Ice skating.....	267
.20. Sledding or tobogganing.....	268
3.03.01. Adjusted distribution of sample persons 12 years and over during December-February 1960-61: Population equals 29,600 times adjusted sample persons.....	269
.02. Attending outdoor concerts, drama, etc.	270
.03. Attending outdoor sports events.....	271
.04. Bicycling.....	272
.05. Boating other than sailing or canoeing.....	273
.06. Camping.....	274
.07. Driving for pleasure.....	275
.08. Fishing.....	276
.09. Hiking (on trails with pack).....	277
.10. Horseback riding.....	278
.11. Hunting.....	279
.12. Nature walks (to observe birds, animals, plants, etc.).....	280
.13. Picnics.....	281
.14. Playing outdoor games or sports.....	282
.15. Sightseeing.....	283
.16. Swimming.....	284
.17. Walking for pleasure.....	285
.18. Water skiing.....	286
.19. Ice skating.....	287
.20. Sledding or tobogganing.....	288
3.04. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during December-February 1960-61 by age, physical impairments, sex and state of health (separate tables for selected activities)..	289-295
3.05. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during December-February 1960-61 by present and previous major region (separate tables for selected activities).....	296-299

	<u>Page</u>
3. 12. Percent of persons indicating some preference (first, second, or third choice) for selected activities, winter period 1960-61, by degree of participation in selected activities during December-February 1960-61.....	300-302
3. 16.. Percent of persons 12 years and over desiring outdoor recreation activities not engaged in and reason for nonparticipation by activity, winter period 1960-61.....	303
3. 34. Percent of persons 12 years and over with some leisure time available and with some outdoor recreation; hours of leisure and of outdoor recreation per person per day; and percent of leisure time available spent on outdoor recreation during weekdays, weekends, and holidays, March 1961, by family income and age-sex.....	304
4. 01. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during March-May 1961 for the United States and major regions by activity.....	305
4. 02. 01. Adjusted distribution of sample persons 12 years and over during March-May 1961: Population equals 29, 600 times adjusted sample persons.....	306
.02. Attending outdoor concerts, drama, etc.....	307
.03. Attending outdoor sports events.....	308
.04. Bicycling.....	309
.05. Boating other than sailing or canoeing.....	310
.06. Camping.....	311
.07. Driving for pleasure.....	312
.08. Fishing.....	313
.09. Hiking (on trails with pack).....	314
.10. Horseback riding.....	315
.11. Hunting.....	316
.12. Nature walks.....	317
.13. Picnics.....	318
.14. Playing outdoor games or sports.....	319
.15. Sightseeing.....	320
.16. Swimming.....	321
.17. Walking for pleasure.....	322
.18. Water skiing.....	323
.19. Ice skating.....	324
.20. Sledding or tobogganing.....	325
4. 03. 01. Adjusted distribution of sample persons 12 years and over during March-May 1961: Population equals 29, 600 times adjusted sample persons.....	326
.02. Attending outdoor concerts, drama, etc.....	327
.03. Attending outdoor sports events.....	328
.04. Bicycling.....	329
.05. Boating other than sailing or canoeing.....	330
.06. Camping.....	331
.07. Driving for pleasure.....	332
.08. Fishing.....	333
.09. Hiking (on trails with pack).....	334
.10. Horseback riding.....	335
.11. Hunting.....	336
.12. Nature walks.....	337
.13. Picnics.....	338
.14. Playing outdoor games or sports.....	339
.15. Sightseeing.....	340
.16. Swimming.....	341
.17. Walking for pleasure.....	342
.18. Water skiing.....	343
.19. Ice skating.....	344
.20. Sledding or tobogganing.....	345
4. 04. Percent of persons 12 years and over participating, days of activity per person and days of activity per participant during March-May 1961, by age, physical impairments, sex and state of health (separate tables for selected activities).....	346-352
4. 05. Percent of persons 12 years and over participating, days of activity per person, and days of activity per participant during March-May 1961, by present and previous major region (separate tables for selected activities).....	353-355
4. 12. Percent of persons indicating some preference (first, second, or third choice) for selected activities, spring period 1961, by degree of participation in selected activities during March-May 1961.....	356-358

	<u>Page</u>
4. 16. Percent of persons 12 years and over desiring outdoor recreation activities not engaged in and reason for nonparticipation by activity, spring period 1961.....	359
4. 34. Percent of persons 12 years and over with some leisure time available and with some outdoor recreation; hours of leisure and of outdoor recreation per person per day; and percent of leisure time available spent on outdoor recreation during weekdays, weekends, and holidays, June 1961, by family income and age-sex.....	360
5. 35. Estimated annual hours of leisure and of outdoor recreation per person 12 years and over and percent of leisure available spent on outdoor recreation on weekdays, weekends and holidays, by family income and age-sex.....	361
5. 36. Total expenditures away from home by persons 12 years and over on vacations and outdoor recreation trips and outings during June 1960-May 1961, by type of expense, type of occasion, and season of the year.....	362
5. 37. Percent distribution of outdoor recreation trips and outings by persons 12 years and over during the year June 1960 through May 1961, by major purpose of trip or outing..	363
5. 38. Number of vacations, outdoor recreation trips, and outings per person, 12 years and over, by season of the year and selected socioeconomic characteristics.....	364
5. 39. Percent of persons 12 years and over with one or more outdoor recreation trips and trips per person with one or more trips, by season of the year, June 1960-May 1961 and selected socioeconomic characteristics.....	365
5. 40. Percent of persons 12 years and over with one or more outdoor recreation outings and outings per person with one or more outings, by season of the year, June 1960-May 1961, and selected socioeconomic characteristics.....	366
5. 41. Expenditures away from home per person 12 years and over on vacations and outdoor recreation trips and outings by type of occasion, season of the year, June 1960-May 1961, and selected socioeconomic characteristics.....	367
5. 42. Distance traveled per person 12 years and over, on vacations and outdoor recreation trips and outings by type of occasion, season of the year, June 1960-May 1961, and selected socioeconomic characteristics.....	368
5. 43. Time spent away from home per person 12 years and over, during the year June 1960-May 1961, on all occasions, vacations and outdoor recreation trips by season and selected socioeconomic characteristics.....	369
5. 44. Average expenditures away from home on vacations, trips and outings during the year June 1960-May 1961, by season of the year and selected socioeconomic characteristics.	370
5. 45. Average per person vacation distance traveled and days away from home by season of the year and selected socioeconomic characteristics.....	371
5. 46. Average per person trip distance traveled and days away from home by season of the year and selected socioeconomic characteristics.....	372
5. 47. Percent of persons 12 years and over with selected outdoor recreation articles present in household and percent using articles present within past year, by family income, 1960-61.....	373
5. 48. Percent of persons 12 years and over with selected outdoor recreation articles present in household and percent using articles present within past year by broad family income classes and place of residence, 1960-61.....	374-375
5. 49. Adjusted distribution of sample persons 12 years and over during June-August 1960: Population equals 29, 600 times adjusted sample persons.....	376
