INTRODUCTION																																															
<p>▶ IF PERSONAL INTERVIEW — Now I have some questions about how you spend your free time in outdoor recreation activities. The Bureau of the Census is collecting this information for the National Park Service. (Hand respondent Privacy Act Statement on the back of the information card booklet, NRS-100.) This explains the legal authority for conducting this survey. It also explains that the survey is voluntary and all information provided will be used for statistical purposes only. You were chosen at random to participate in this survey and your answers will represent those of thousands of other people like yourself. These questions that I am going to ask you refer to just yourself and not to other members of your household.
